A person wearing a white protective suit and a green helmet stands on a dark, rocky volcanic slope. The terrain is rugged and covered in dark, jagged rocks and ash. The background shows a vast, dark landscape under a hazy sky. The person is positioned on the right side of the frame, looking towards the left.

A wide-angle landscape photograph of a mountain range in Taiwan. The scene is captured during the 'blue hour' or 'golden hour', with a soft, hazy light. In the foreground, a group of about ten people on horseback are silhouetted against the light, riding along a ridge. The middle ground is filled with layers of mist and rolling hills, creating a sense of depth. The background shows more distant, darker mountain peaks under a pale sky. The overall mood is serene and atmospheric.
